

## Healthwatch Representatives Feedback Form

<b>Representative name</b>	Clive Norris
<b>Meeting</b>	Wandsworth and Merton Clinical Commissioning Group (CCG) Joint Quality Subcommittee
<b>Date &amp; Time</b>	Tuesday 29 May 2018, 2pm
<b>Who attended</b>	CCG clinicians and officers
<b>Key issues</b>	A wide-ranging review of the performance of all the services commissioned by the CCG across Wandsworth and Merton. Given the number of contracts to monitor, the meeting focused on serious incidents and other areas of concern
<b>Healthwatch Actions</b>	Healthwatch attendance should be maintained as this gives an excellent overview of the delivery of services. Since it is a joint committee, it was suggested that HW Wandsworth and Merton attend alternate meetings - to be discussed
<b>The Meeting in one sentence (for blog, FB, Twitter, newsletter)</b>	This new joint Wandsworth/Merton body reviews intelligence from Clinical Quality Review Groups (CQRGs) and other sources to ensure that quality of commissioned services is maintained. It reports to the CCG's Integrated Governance and Quality Committee
