Can you help Joyce?
Joyce is typical of our passengers and believe it or not, has just turned 90. Joyce has been a passenger on our Shopping Shuttle for over 10 years and previously managed to get around the shops on her own. Recently she has found it increasingly difficult and now needs the support of a volunteer to push her in a wheelchair.
Joyce is a lovely lady and a pleasure to spend time with. She has many interesting stories to share and is active and independent, but needs your help to stay that way.
Joyce really enjoys her weekly shopping outing and looks forward to meeting others on the bus and at Shopmobility.

It is her turn now - she and others like her need you!
