

Getting involved with Healthwatch Wandsworth

healthwatch
Wandsworth

Sign up to hear from us

- Share your views:
 - regular surveys
 - share a story about any health and social care service
 - invite our outreach team to speak to a community group to hear what is important to them
 - participate in our events

Interested in being more closely involved – can you help us by volunteering?

Healthwatch Board Members
(every 3 years)

Healthwatch Representatives
represent us on committees and
working groups to ensure local
people are listened to in decisions
about local services.

Enter and View Representatives visit NHS and council funded health and care services to hear from service users.

Outreach volunteers support our work by speaking to local people at local events and community locations.

Policy and Research volunteers analyse and report on what local people tell us.

Office volunteers help with administration.
