## Sign up to hear from us

- Share your views:
  - regular surveys
  - share a story about any health and social care service
  - invite our outreach team to speak to a community group to hear what is important to them
  - participate in our events.

Interested in being more closely  
involved?

Can you help us by  
volunteering?

Now recruiting – more local people involved, the more we can serve local people.

Healthwatch Representatives represent us on committees and groups to ensure local people are listened to in decisions about local services.

Enter and View Representatives visit services to hear from service users. Outreach volunteers speak to local people at local events and community locations.

Apply before 21st October

# Next year events

We are planning our Assembly events for next year. We will be holding them in March, June, September and December.

Our goal is for as many people who'd attend, to be able to do so.

**Which time of the day would be best for these events if you would be able to come along.**

**Morning**

**Afternoon**

**Early evening**

**Any of the above**
